believe I am the original and first inv E.V.E. Emergency Vehic	entor of the subject matter v	The state of the s	ch a patent is soug	ht on the inventi	on entitled:				
E.V.E. Emergency Vehic		which is claimed and for which	ch a patent is soug	ht on the inventi	on entitled:				
	cle Environment				I believe I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:				
System and devices for			E.V.E. Emergency Vehicle Environment						
System and devices for creating an emergency vehicle environment.									
A system of dedicated channel FM devices for unobstructing the path of emergency vehicles resulting in increased response times and safety.									
(Title of the Invention)									
is attached hereto									
OR OR									
was filed on (MM/DD/YYYY) as United States Application Number or PCT Intern									
								pplication Number	and was amend
		<u></u>							
I hereby state that I have reviewed and understand the contents of the above identified specification, including the clair any amendment specifically referred to above.									
I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application									
I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.									
Prior Foreign Application Number(s)	Country	Foreign Filing Date (MM/DD/YYYY)	Priority Not Claimed		Attached?				
Additional foreign application nu	mbers are listed on a supple	emental priority data sheet F	PTO/SB/02B attach	ned hereto:					
	A system of dedicated of emergency vehicles respectively vehicles respectively vehicles respectively. As a statement of the specification of which is attached hereto OR was filed on (MM/DD/YYYY) pplication Number mereby state that I have reviewed and any amendment specifically referred to acknowledge the duty to disclose information whice termational filing date of the continual tereby claim foreign priority benefits beceder's rights certificate(s), or 365(tates of America, listed below and heeder's rights certificate(s), or any aimed. Prior Foreign Application Number(s)	A system of dedicated channel FM devices of emergency vehicles resulting in increase (Title of the Increase the specification of which is attached hereto OR was filed on (MM/DD/YYYY) pplication Number and understand the contents of the specifically referred to above. acknowledge the duty to disclose information which is material to the stemational filing date of the continuation-in-part application. Thereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) the eeder's rights certificate(s), or 365(a) of any PCT international attest of America, listed below and have also identified below, leveder's rights certificate(s), or any PCT international application (Country)	A system of dedicated channel FM devices for unobstructing of emergency vehicles resulting in increased response times (Title of the Invention) he specification of which is attached hereto OR was filed on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) pplication Number and was amended on (MM/DD/YYYYY) arereby state that I have reviewed and understand the contents of the above identified specing amendment specifically referred to above. acknowledge the duty to disclose information which is material to patentability as defined in oplications, material information which became available between the filing date of the prior ternational filing date of the continuation-in-part application. tereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any fore eeder's rights certificate(s), or 365(a) of any PCT international application which designalates of America, listed below and have also identified below, by checking the box, any fore eeder's rights certificate(s), or any PCT international application having a filing date befaimed. Prior Foreign Application Number(s) Country Foreign Filing Date (MM/DD/YYYY)	A system of dedicated channel FM devices for unobstructing the path of emergency vehicles resulting in increased response times and safety. (Title of the Invention) he specification of which is attached hereto OR was filed on (MM/DD/YYYY) as United States Application Number pplication Number and was amended on (MM/DD/YYYY) acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, includiplications, material information which became available between the filing date of the prior application and the ternational filing date of the continuation-in-part application, which designated at least one coates of America, listed betow and have also identified below, by checking the box, any foreign application eleder's rights certificate(s), or any PCT international application having a filing date before that of the apaimed. Prior Foreign Application Number(s) Country Foreign Filing Date (MM/DD/YYYY) Not Claimed	A system of dedicated channel FM devices for unobstructing the path of emergency vehicles resulting in increased response times and safety. (Title of the Invention) the specification of which is attached hereto OR was filed on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) (if application Number and was amended on (MM/DD/YYYY) increased that I have reviewed and understand the contents of the above identified specification, including the claims, as an any amendment specifically referred to above. Seknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continual optications, material information which became available between the filing date of the prior application and the national or PC terrational filing date of the continuation-in-part application. Increase of America, listed below and have also identified below, by checking the box, any foreign application for patent, invent eader's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other that lates of America, listed below and have also identified below, by checking the box, any foreign application for patent, invent eader's rights certificate(s), or any PCT international application having a filing date before that of the application on which aimed.
